PROCEEDINGS

All submitted papers will be peer reviewed and accepted papers (oral and poster presentations) will be published in a book of proceedings by World Scientific in its book series "WS Proceedings Series in Computer Engineering and Information Science". The proceedings will be submitted for indexing in major databases such as the ISI Web of Knowledge. The title of the book will be "Computational Intelligence in Business and Economics".

The International Conference on Modeling and Simulation (MS'10 Barcelona) is co-organized by the Association for the Advancement of Modeling and Simulation Techniques in Enterprises (AMSE) and the University of Barcelona in Barcelona, Spain. The conference will provide a forum for researchers, academics, engineers and students to discuss research ideas and present the recent advances in modeling and simulation and related topics.

CONFERENCE TOPICS

Modeling and simulation

General applications of modeling and simulation

Fuzzy logic, fuzzy set theory and related applications

Genetic algorithms and related applications

Neural networks and related applications

Probabilistic computing

Decision making and expert systems

Business and economics applications

Other applications

(More information on the webpage)

PAPER SUBMISSION

Researchers and students are invited to submit papers up to 8 pages by 10 January 2010. Note that the papers can be submitted for oral or poster presentation. (For more information about paper submission, see the webpage or contact the organizing committee).

BEST PAPER AWARDS

Best paper award and best student paper award will be given at the end of the conference. Best paper award will be given to the best oral and poster contribution. To be qualified for student competition, the student has to be the principal contributor of the paper and present it during the conference.

SPECIAL ISSUES

Extended versions of selected papers will be published in special issues of international journals such as the AMSE Journals and the 2010 AMSE Conferences "Best of". Moreover, we also expect to organize special issues in other international journals indexed in the ISI Web of Knowledge.

IMPORTANT DATES

10 January 2010	Paper submission
20 February 2010	Notification of acceptance
15 March 2010	Final paper submission
